

PERS Solutions for Public Services Coalition Individual Coalition Member Form

I agree that cost-saving reforms to PERS are urgently needed to protect and improve public services in Oregon.

PERS Solutions for Public Services is a coalition of individuals and organizations from across Oregon working to advance cost-sharing reforms to the state's pension system that reduce the impact of PERS on taxpayer budgets, ensure competitive retirement benefits and working conditions for public workers and preserve and enhance vital public services.

I join in the call for state legislators to act on solutions that can address this challenge without further delay.

About Signing the Member Form

Thank you for becoming a member of our coalition. Below are answers to some common questions about our membership forms and membership in our coalition.

1. Signing a member form simply confirms that your name may be listed publicly as a partner in our efforts to urge the Oregon legislature to enact reforms to PERS this legislative session.
2. Signing a member form does not obligate you to contribute time or money, or attend any meetings or make any public statements. Members are welcome to become more actively involved in coalition activities if they wish. However, any further involvement beyond being listed as a member of our coalition is entirely voluntary.
3. To show the breadth of our membership, lists of our members may be used in materials such as fact sheets, brochures, letterhead and possibly in advertisements. By signing this member form you are giving permission for our coalition to list your name publicly as a member and supporter of our campaign. All statements in our campaign materials will be based on verifiable facts and information, and all publications and activities of our coalition will be conducted in strict compliance with all relevant state and federal laws and regulations.
4. All lists of individual members will note that any titles and affiliations are for identification purposes only and do not imply the endorsement of affiliated businesses or groups unless expressly indicated.
5. Member contact information will be used solely for communications between our coalition and members. Member addresses and other contact information will not be sold or provided to any other groups, organizations or businesses.
